❖Partners in Education

Part of our mission at Albany Christian School is to partner with families as we educate students with whom we have been entrusted. Families are needed in the partnering process in order for ACS to function at a high level of efficiency. Each family is needed to assist in this process. Although we realize that many families in the school are already volunteering and assisting in their children's education, we need every family to assist in this effort.

Along with the payment of tuition, we ask that each ACS family volunteer 15 hours (or 10 hours per single parent families) throughout the school year. *These hours can be used in classroom assistance, special projects, and fund-raisers.*

Albany Christian School admits students of any race, color, and national or ethnic origin.
